jpg' A: I'm not certain that the 'run game' option has anything to do with it, but here's what I did to get the splash screen to come up: Ran the executable using the .exe launcher in Windows. Right click the executable in Windows Explorer and click 'Run as administrator'. This, at least for the S:IV.exe, appears to fix the problem. Rent Book Buy New Book Sally Alexander's original works include The Dreaded Land, The Traitor Heart, The Radiant Child, Twice Born, The Winter Dove, and "The Other Side of the Moon." With The Swan Princess, she offers a story of fantasy and enchantment that goes beyond the page, Elyssa, abandoned as a baby, is transformed into a swan by a wise enchantress. But when she falls in love with a human boy, Elyssa learns that human love can be a dangerous thing. The family of Brian Terry should be given access to the full, unredacted version of the Justice Department's report on the failed 2010 gunwalking operation that resulted in Terry's death, and the committee should hold hearings on the issue, Sen. Mike Lee said Wednesday. "We believe it is within the committee's purview to request access to this report," Lee, R-Utah, told Senate Judiciary Committee Chairman Patrick Leahy, D-Vt. Lee was one of four Republicans on the committee who voted to keep the panel in session Wednesday to vote on the nomination of Michael B. Mukasey to be the next attorney general. The vote was 4-3. The Justice Department has refused to release the unredacted version of its June 14, 2012, report to Leahy, who was chairman at the time. The unredacted report was initially available to the public on March 4 of this year. A Leahy spokesman said Wednesday that the committee's decisions on Mukasey's nomination are "not driven by one issue." The Justice Department and the FBI declined to comment on the report, which dealt with an operation known as Operation Fast and Furious, in which federal agents allowed guns to be sold to straw purchasers in the hopes that they would lead to the arrest of higher-level traffickers. The operation was begun under the Bush administration and continued under Obama. But the 82157476af
